

General Terms and Conditions

Terms & Conditions of Sale

1. This quotation and any resulting sale are governed by Kila Energy (Kalpna Traders) standard terms unless a separate written agreement is signed.
2. Unless expressly stated on the quotation or product datasheet, lithium battery products carry manufacturing-defect warranty only for the period mentioned on the invoice. No implied warranty of fitness for a particular purpose.
3. All prices are Ex-Works (EXW) from our Noida facility. Freight, loading, handling, insurance, octroi and taxes (other than GST shown) are borne by the buyer.
4. Kalpna Traders / Kila Energy is not responsible for loss, damage, delay, theft or shortage after goods are handed over to the transporter or courier.
5. Transit insurance is not included unless specifically requested, quoted and confirmed in writing before dispatch.
6. Claims for shortage or transit damage must be reported within 24 hours of delivery with a continuous, unedited unboxing video from sealed outer packaging.
7. Product specifications, BMS configuration, cell grade, prices and availability are subject to change without prior notice until order is confirmed in writing.
8. Confirmed orders cannot be cancelled or modified without written consent. Advance payments are non-refundable once production or procurement has started.

Battery Product & B2B Conditions

1. Buyer is responsible for correct selection of voltage, capacity (Ah), BMS type and connector for the intended application (EV, inverter, solar, UPS, OEM).
2. Custom battery packs are built strictly as per the signed specification sheet. Changes after confirmation may attract revision charges and lead-time extension.
3. Payment terms: 100% advance before dispatch unless credit is approved in writing. Cheque / NEFT / RTGS / UPI as per bank details on quotation.
4. GST will be charged as applicable under HSN 8507. Buyer must provide valid GSTIN for tax invoice where applicable.
5. Installation, commissioning and load testing at buyer premises are buyer's responsibility unless separately quoted.
6. Reverse polarity, over-charge, over-discharge, physical damage or unauthorized repair voids warranty.
7. Export or resale of products is buyer's responsibility for compliance with local regulations and transport rules for lithium batteries.
8. Disputes subject to jurisdiction of courts at Gautam Buddha Nagar (Greater Noida), Uttar Pradesh, India.
